### ***Welcome to 2019!***

Thanks to each of you for volunteering to be a part of the Idaho District Team. Let's take a moment to reflect on what brought about great participation and where we can enhance our efforts. We have an exciting fun-filled year ahead of us, and one that also presents challenges.

There is currently an opportunity for an Asst District Director who would be interested in advancing to District Director in 2020. Another of our ongoing challenges has been to recruit a District Ride Coordinator and add a certified Trainer. The more pressing position since the 2017 announcement has been the District Ride Coordinator. I welcome any suggestions or recommendations anyone may have for a *certified Road Captain* who can occupy this position. Job descriptions are included in the Officer Handbook, available on the [gwrra.org](http://gwrra.org) website, and I am always willing to discuss possibilities. Anyone who is interested in being considered for any Team position should become familiar with the responsibilities and expectations of that position.

The District Team welcomes its newest member, Mark Bridge, who has volunteered to return to our Team as District Webmaster. Many of you know Mark as the former Region I and Idaho District Webmaster and have worked with him in the past. We are excited to have him back on our Team. Chapter Directors, Mark will be working with you to get your Chapter Homepages updated and to assist with your needs. Thank you, Mark!

Taking on the responsibilities of a Team Member at any level requires *commitment* to the position to maintain its overall success. This involves a certain pledge of time to become comfortable with the tasked responsibilities of the position and learning to function within the Team. Sometimes these transitions are initially more challenging than anticipated, but with a bit of effort can be overcome with the support of your Team. *Communication is imperative*. Enthusiasm, energy, camaraderie, and willingness to participate strengthen our District and facilitates its viability. Without significant contributions from each member of our Teams, we cannot sustain this status. We at the District are here to lead, advise, and support continued success with a focus on having FUN!

By now you have heard about our Idaho District Old Tyme Mountain Man Rendezvous being held June 7-9, 2019 at the Kamiah/Clearwater River KOA Campground in Kamiah, Idaho.

Here are just a few of the highlights and activities:

- You will have FUN!
- We will have world class guided rides looping in and out of the Clearwater Canyon
- There will be a formal Road Captain course not available anywhere else – highly recommend!
- We plan an educational presentation about muzzle loading firearms used by the Lewis & Clark Expedition and the Mountain Men
- Plenty of “first ever in Idaho” games and other old favorites
- In keeping with the Mountain Man theme, there will be a competition for the best facial hair (includes mustaches, beards, goatees, mutton chops, etc. Sorry, 5 o’clock shadow doesn’t count!).
- And in keeping with our 21 century tastes, there will also be plenty of ICE CREAM!!

We encourage you to reserve your overnight accommodations as soon as possible as **the rates will go up after March 1** and availability may become limited. Unlike the Mountain Men, sleeping on the bare ground would be poor doins’ for us modern folks. The flyer and registration forms are posted on the District Website [gwrra-id.us](http://gwrra-id.us).

Now here’s the hitch: “This wagon ain’t gonna roll” unless we all work together as a team and have some good participation. The District Team will need volunteers from each Chapter to help ramrod the rides, games, tickets, etc. **Let’s all pitch in to ensure that the Idaho District Rally is an unqualified success!**

Thanks to all Chapters for timely remittance of your Charter fees for 2019. These have all been sent to GWRRA.

It's January and time for all Chapter and District financial reporting to be done for 2018. All Idaho Chapters report to me, as District Treasurer, and I am still reviewing reports received and cajoling others to get it done. Most all Chapters are well along on this task, but we were all hindered by the government shut-down that prevented the filing of the required Form 990N on the IRS website until this past week. These business items are part of the proper operation of this Association we love, which gets us together with great people who enjoy riding motorcycles and helps educate us on riding safely. This duty too will pass, and we can do what we bought our bikes and joined GWRRA for – RIDING!

Here in southwestern Idaho, the weather has been quite amenable to riding. I put a few miles on the odometer yesterday, January 29, at 41-45 degrees and bright blue sky. I have now ridden in each of the last 23 months. My sympathy to those of you in other climes that are limited to such year-around riding!

*So many roads, so little time. Let's do it safely and with friends.*

**Ride Coordinator ID-H**

Greetings from balmy North Idaho, 23 degrees and sunny at time of this writing, bike still tucked away in the garage.

In Idaho, we have a shortage of rider course instructors and many have been using the Idaho Star Program to remain current in the Levels Program. Classes in southern Idaho will begin sometime in February and are offered at all of our Chapter locations, or close by throughout the season. Check the Star website for upcoming class dates, [www.idahostar.org](http://www.idahostar.org) or call 208-639-4540. If you or any of your members have any questions regarding training, please feel free to contact me at any time.

At the upcoming District Rendezvous, Chuck Bonnett, Montana District Educator, will be presenting a Road Captains course. This course has both a classroom and a road portion and is required for all Chapter Ride Coordinators. If you are presently a Road Captain, this is a good opportunity to refresh your knowledge and skills – you can never have too much training. All riders are welcome, and you must have your Rendezvous registration in by 4/30/19 to take the class.

Looks like our Rendezvous in Kamiah is shaping up to be a good one. Please remind your members to register early to get a room, RV spot, or tent space. Great rides, games, good food, and as always, many friends. See you there!

**RICH DAVIS**

**District Rider Educator**

## ***Greetings Idaho Goldwingers!***

Do you remember these common idioms: “Don’t put off to tomorrow what you can do today” (Benjamin Franklin) or “The early bird catches the worm?” Yep, they’re true: it seems like a long way off, but now is the time to talk to our membership about the upcoming District Mountain Man Rendezvous Rally June 7-9. Why so early? When you plan ahead, you help us plan a better rally.... for **YOU!**

There are lots of little perks out there just for those who sign up early, but that early deadline is coming up fast! February 28th is the last day for discounted registration fees and reservation prices at the KOA campground. Additionally, if you register before the deadline, you become eligible for an exclusive 50/50 drawing and you may be the lucky winner of a free dinner! One lucky early registrant will be pulled for free dinner tickets, but only from registrations postmarked **before March 1st**. After March 1<sup>st</sup>, any unreserved spaces/rooms at the KOA will be available to the general public which means there might not be “room at the inn” if you wait too long.

We have a very exciting Rally planned too. So far, we have four guided rides through the beautiful Kamiah area, some more challenging than others so you can choose. Of course, you can always strike out on your own, and we’ll have ride information and points of interest for you to check out if you’re feeling adventurous. There will be vendors - some new and unique; loads of games, both new and familiar; and friendly competitions like the Mountain Man Facial Hair competition. Make sure all the men know to start growing those beards, handlebars, and mutton chops - NOW! We’ll have a District-wide Chapter competition for Mountain Man themed bragging rights where each of the Chapters will be given some raw materials to work with. Your “themed” item will be on display during the weekend and will be judged on originality, creativity, keeping with theme, and depicting your individual Chapter’s personality.

We’re going to need Chapter volunteers to make this event a success for all, so please ask your members to step forward and help. If we all participate, no one will have much obligation - many hands make light work.

We’ll need assistance with set up/clean up at the beginning and end of the Rally, help at the Registration table, Game Masters to engage, direct, and lead the various games planned, and ticket sellers for the 50/50.

We’ll need each chapter to provide a minimum of **five (5) quality items** for the Brown Bag table. Think about this a little. The Rally is **your** fundraiser. What we get goes back to the Chapters in the form of classes, awards, and training. Please bring items that **you** would want to bid on; gift cards will need to come from businesses or chains that can be used by anyone, anywhere and not just one local area.

Finally, of course, what would a GWRRA Rally be without great food, ice cream, and a light parade through downtown Kamiah? We have something for everyone!

Registration forms can be found on the Idaho District website at: <http://www.gwrra-id.us>.

This will be a Rally for the record books. Please share this information in your newsletters and at Chapter Gatherings as soon as possible! Like sands through the hourglass, time is ticking away....

## **MARK BRIDGE - WEBMASTER**

Back in the saddle again!

For those who don't know me, I am the former Chapter Director of OR-H that folded at the end of 2018. After the chapter closed, I received a call from Glen Goff in January to discuss how the closure came about, talk numbers, and to discuss other chapter issues. He was mainly seeking out ideas as to recruiting, chapter staff, etc. I previously worked with both Region I and the Idaho District Teams, so I was familiar with some of the current Team Members. In the course of the conversation, I was asked if I would ever consider returning as the Idaho District Webmaster. I was a bit apprehensive at first and you might ask why. Well, to answer that question, I'll need to go back to the beginning.

I took over the Region I website when Terry Huffman was the new Region I Director. With that assignment I also received the Idaho District website to manage as well. When it came time to rebuild the Idaho District website, it was pretty much all guess work on my part because I am not an Idaho resident nor did I know many people in Idaho. The previous site was not much of a site, if you remember, and there was very little to go forward with. As time went on, I received very limited input from all the Chapters until ID-H and ID-T began pumping me with ideas as to how they wanted their individual Home pages to look. That is when the fun started! For any Webmaster, information and ideas are golden.

This time around I want to encourage the remaining Chapters to climb aboard and help me continue to build a great site. I need your ideas and designs for your Home pages. I also need your current Team list so that I can update those pages as well. These pages are yours, so please help me build them. I am only limited by your imagination.

Please feel free to contact me with your questions and ideas either by email at [on2wls@msn.com](mailto:on2wls@msn.com) or by phone. My Cell is 541-571-3880. Please remember that I am a night shift worker. If you want to talk with me, please call during the evening hours because I sleep most of the day.

Thanks for your help and I look forward to working with you!

**Mark Bridge**
