DIRECTORS CORNER

Chapter T had a successful gathering before everything in the state/nation started getting canceled. We made plans for motorcycle awareness month in May that may now have to be rescheduled. All of our official rides have been canceled. We are trying a zoom call to stay in touch with our members. Everyone please be safe. Hopefully this will be over sooner rather than later.

SAFETY CORNER: CORONAVIRUS PREVENTION

By: Adriana Rodriguez and Jeremy Robinson

As a caregiver of a person at high risk and myself being a person with high risk I just wanted to share some of the things that I have learned.

Please if you have any questions concerning the Coronavirus please check the Center for Disease Control and Prevention Website:
<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

The first picture illustrates which people are at high risk of being affected by the disease

The second picture explains what the definition of social distancing is and what the do's and don'ts are at this time.

SOCIAL DISTANCING:

What does it mean?

Social distancing is the practice of reducing close contact between people to slow the spread of infections or diseases. Social distancing measures include limiting large groups of people coming together, closing buildings and cancelling events.
