## DIRECTORS CORNER

For August, we returned to Golden Corral for our monthly gathering and had 9 people present. It was a good time to visit with everyone and their private room allows space to socially distance. We had two new members, Dick & Dianna Price, visit with our chapter for the third time so they were given a chapter patch as a welcome. It is great to see new faces in our area.

The chapter had several rides planned in the past month or so. The participation has dwindled during this COVID crisis. I long for the good old days where we didn't think twice about gathering in groups. Mike and I were looking forward to attending the Chapter H River Run/Rally but it was canceled due to COVID. We had not yet had an opportunity to visit north of Kamiah, ID and were looking forward to it. Right now, we have both trikes in the shop. My Spyder had a few issues which are hopefully covered by warranty. Mike's Goldwing trike just shutdown while we were riding one Saturday. We think it is the alternator but are still waiting for it to be diagnosed. What a time of the year to be without our bikes!

What places have you visited lately? Think about it and please share with us a recent ride you took, whether in a group or on your own. When we can't ride, we can live vicariously thru others!
