DIRECTORS CORNER

We were so excited to see 13 folks on the Swan Falls Dam ride, and 18 folks at the March Gathering! It is so great to start seeing people again. Mike & I had our first vaccine and will finish by the time this goes out. Gary has planned some great rides, so please come join us on a bike, trike or vehicle! We miss seeing everyone!

Gary Evans, 2021 Ride Coordinator Report
March 18, 2021

The First 2021 Chapter ride is now history, and it was good.

Thirteen of us showed up at the Chevron on North Franklin in Nampa, on \$ve bikes, three trikes and in one car – I am so glad they wanted to participate, in spite of some physical limitations. (Maxeen and I will be in a car for our next ride, to Weiser and Emmett.)

We rode through Kuna to Swan Falls Dam. I always enjoy this route, with the Owyhees in the distance, the approach to the Snake River Canyon and riding down into it, is always breathtaking.

Next stop was Celebration Park and then into Melba for lunch at Buck's, which was very busy and understa7ed, so we had time to talk, while waiting for our food. Good times.

I originally planned the ride to continue, by riding to Walter's Ferry and through Marsing, but alas, it was drizzling then and we all headed home. It had been a good day, good miles, good scenery – new scenery for some.

Did I say good? Yes, very good!
