DIRECTORS CORNER

OK, I am trying this old newsletter format for a prettier newsletter. We will see how it goes on my end. I don't use this program very much. Chapter T had a small group at our February Gathering and a little larger group at our meet at the restaurant event in February. I have heard from several members that they are getting their vaccines and plan to re-join us soon. We look forward to seeing everyone again soon.

FROM THE
RIDE COORDINATOR DESK

Gold Wing Road Riders Association
Chapter T, Nampa, Idaho
Gary Evans, 2021 Ride Coordinator Report
February 20, 2021

My second task as CRC is to develop a Ride Schedule for 2021

And I have begun to do that. Elsewhere in this Newsletter is what I propose, but I am open to any suggestions you may have.

The *bad* news is – we don't have many places we haven't already ridden, but the **good** news is – **it is an area with great routes, great scenery and great weather**. So, what is wrong with riding 50 miles for ice cream.

And Lori is trying to find all the good ice cream places in Idaho. Woohoo!!

So, review the Ride list, and give me your feedback. Further, if you didn't participate in the Total Odometer Miles contest for 2020, please get me a picture of your beginning odometer readings for 2021. If you reported your ending mileage for 2020, I will (obviously) use that for your 2021 start.

Next thing – and the most important – get those bikes ready to ride in 2021 by doing a very thorough T-CLOCS assessment, to assure your bike is ready for all those miles you are going to ride this year.

Here is the Motorcycle Safety Foundation list. T-Tires & Wheels, C-Controls, L-Lights & Electrics, O-Oil & Other Fluids, C-Chassis, S-Stands

The complete MSF Inspection Checklist is included in this newsletter.

Make sure your bike is as ready to ride as you are.

May we enjoy many safe miles together this year.
